8 VRB 2017 NOTES

1. There shall be not back to back competitive stages

There must be a chance to use late running time between stages

JR presented a proposal attached below (and this was voted on by the panel members

Votes all in favour (6 yes) rule change to come into enforcement with the passing of the 2018 VRB)

2. VRB needs updates for the changes made to the NRC in march2017 this was after the publication of the 2017 VRB. BW will review the effects of the changes and update them for the 2018 edition.

3. Change VRB to pace note approval back to panel
4. Include proposed ESO documentation into the VRB Part B
5. NRC looks to be changing a major overhaul; of all series rules will need to be looked through if this goes ahead and ALL series and championships will need to review their rules and change to suit.
6. Updates for the police contacts in Ballarat area

(This is a notebook to keep track of VRB changes that are discussed during the year at panel not necessarily changes that have been voted on and are changing)
