

**VICTORIAN RALLY ORGANISATION INCORPORATED
(VRO)**

STATEMENT OF PURPOSES

1. The Victorian Rally Organisation is proposed to be incorporated as an association to foster, develop and facilitate the conduct of motor car rallying within the State of Victoria. It is proposed as a representative body of competitors, officials, promoters and supporters of motor car rallying to enable appropriate liaison with motor sport regulators and insurers, government departments and agencies, local government authorities, land holders, resident bodies and individual residents, highway authorities and other road controlling authorities and/or individuals.

2. It is further proposed that the Victorian Rally Organisation would provide a forum for rule making for the conduct of motor car rallying generally in Victoria, such power to include rules relating to:
 - a) car eligibility;
 - b) licence requirements;
 - c) accreditation of officials;
 - d) training, accreditation or performance recognition generally (including the conduct of motor car rallying championships and/or series).

3. The organisation would further have a purpose of development and control of appropriate financial systems to enable appropriate liaison with commercial bodies and organisations and to provide for future maintenance replacement and purchase of equipment previously purchased by competitor levy in the form of such funds as the road damage levy fund, rally clock fund and rally trophy fund

currently managed by the Confederation of Australian Motor Sport on behalf of Victorian motor car rally competitors.
